

Membership update 2023-24.

We have 100 members. Of this, 54 are full members, 14 are students, 12 are honorary members, 6 are life members, 10 are Institutional members (from 7 different institutions), 4 are invited members. Taking discounts into account, this should give an approximate individual membership of about £450 for the year. Subscriptions for 2023/24 are unchanged but, when inviting renewal, I will ask renewing members to subscribe for 5-year deals and/or include a donation.

- Graham Reeve (Membership Officer).
